Sometimes, an unexpected way to get through the day is just by hearing a little quip. The quotes in this book are spiritual, quick witted, and sometimes downright funny and silly. Yet, they are mostly inspirational, motivational, or may leave you with something to think about. Feeling a little down and need an uplifting moment or, maybe, an uplifting for the day or week? Just find the quote that gets you through the day or week. Do you want to share who you are as a positive person with others, yet, you can't find the right words? Perhaps, there is a quote to describe who you are. Read it, share it, get them to understand you. This book of quotes is, also, a book of understanding who we are, how we may perceive others, and who we can become, if we begin to take ownership of our errors and how we can change ourselves to become better individuals with so much to offer the world. Please enjoy this book and know the quotes have the magic of getting you through trying times.
