Salamambo By Gustave Flaubert - A classic tale of blood and thunder – Once banned - Brand new copy. Salammbô (1862) is a historical novel by Gustave Flaubert. It is set in Carthage during the 3rd century BCE, immediately before and during the Mercenary Revolt which took place shortly after the First Punic War. Flaubert's main source was Book I of Polybius's Histories. It was not a particularly well-studied period of history and required a great deal of work from the author, who enthusiastically left behind the realism of his masterpiece Madame Bovary for this tale of blood and thunder. The book, which Flaubert researched painstakingly, is largely an exercise in sensuous and violent exoticism. Following the success of Madame Bovary, it was another best-seller and sealed his reputation. The Carthaginian costumes described in it even left traces on the fashions of the time. Nevertheless, in spite of its classic status in France, it is not widely known today among English speakers. The opening words became at once almost proverbial: C'était à Mégara, faubourg de Carthage, dans les jardins d'Hamilcar... "It was at Megara, a suburb of Carthage, in the gardens of Hamilcar, that the soldiers whom he had commanded in Sicily were holding a great feast to celebrate the anniversary of the Battle of Eryx. The master was absent, their numbers were large, and accordingly they ate and drank in perfect freedom."
