Sanctum: A Motorcycle Club Romance Novel (Black Dogs MC Book 1) Sienna Valentine

From bestselling author Sienna Valentine...

With half his body in shadow, he looked like a mythic hero, cut in high contrast and larger than life...

JASE

This MC took me in when no one else would. It was the only real family I've ever known. Her asking me to leave was bullshit, but then disappearing without even saying goodbye was so much worse.

I was done with Maggie then. I never wanted to see her face again.

Five years. Five years of anger, pain and regret. Five years to move on and forget.

And five seconds to get sucked back in.

MAGGIE

I have no right coming back here. No right asking for help. Not after the way I left everything - the way I left Jase.

But what choice do I have? I'm dead if I don't.

I've made so many bad choices in my life. Caused so much pain. Maybe I deserve what's coming to me. What right do I have putting Jase, my father, and the whole MC in danger just to help me?

The MC is Jase's sanctum, and I may not deserve it, but I'm praying that it can now become mine.

Note: This is a stand-alone romance novel with an HEA ending. It contains sex and violence and is intended for adults only.
