## **The Edible Woman** Margaret Atwood

Ever since her engagement, the strangest thing has been happening to Marian McAlpin: she can't eat. First meat. Then eggs, vegetables, cake, pumpkin seeds--everything! Worse yet, she has the crazy feeling that she's being eaten. Marian ought to feel consumed with passion, but she really just feels...consumed. A brilliant and powerful work rich in irony and metaphor, *The Edible Woman* is an unforgettable masterpiece by a true master of contemporary literary fiction.
