## **A Lonely Mans' Diary: A Collection of Poetry (2014-2015)** Edward Mitchell

Ever since I was young, I've known that I was different. I realised that I didn't see things in the same way, and that I didn't always perceive social situations in the ways others did. This resulted in an awful lot of heartache, and pain (even bullying at points).

This collection of poetry records experiences from my perspective. It's my outlook on life; how I perceive and experience the world.

Therefore, the poems here are 'unfiltered' -. I am not unduly affected by social conventions and do not see why the truth, all of it; should not be recorded.

The danger of course is that they may be a little too much for some, whilst maybe not enough for others.

Whatever your reaction to them, I hope you enjoy reading these, and that perhaps you learn something about what it is like to be autistic.
