Brazille English is a determined business savvy and intelligent thirty year old beauty. She has always given 200% to anything she wanted and lived by the philosophy to achieve by any means necessary. A broken heart from her past caused her to trade her dreams of love with the white picket fence and 2.5 kids for her dream of becoming the most in demand, high end nail professional in Atlanta.

She has just started living her dream when she is betrayed by her best friend Chyna and her heart strings are being tugged by Omari.

Is Brazille going to be able to come out on top or will betrayal, deception, and skeletons from her own past bring her empire and second chance at love to a screeching halt?
