Writer's Toolbox WORLD INTEGRATION How to Weave Worldbuilding into Your Speculative Fiction Novel Camille Picott

World Integration tackles the tricky task of incorporating worldbuilding details into a science fiction or fantasy novel. This can present an interesting dilemma for genre writers. How can information on a fictional world be delivered to readers in a way that is natural to the story line? How can important details be shared without bogging down readers in pages and pages of boring exposition? This is where World Integration will help. Writers will learn valuable techniques for weaving worldbuilding into a genre story, as well as the pros and cons of each technique. All methods are accompanied with examples from published works. This book is for all science-fiction and fantasy writers looking to improve and enhance worldbuilding in their novels. Writer's Toolbox is a how-to series dedicated to helping speculative fiction writers improve their craft. Books are written by Camille Picott, an award-winning and Amazon-bestselling speculative fiction author.
