Grammar to Go: How It Works and How To Use It Barbara Goldstein, Jack Waugh, Karen Linsky
GRAMMAR TO GO's step-by-step, interactive approach to grammar and punctuation minimizes memorization and instead focuses on visualization through sentence diagramming. Throughout the text, readers find the information they need when they need it, as they take small, incremental steps that guide them progressively from simple concepts to more complex ones. Exercises and writing prompts offer hands-on practice with the material, giving users the tools to analyze their own writing from a grammatical perspective. This edition includes additional "GrammarSpeak" features (which provide guidance on common errors in daily speech and writing); a new "Write Now" feature in each chapter that offers a specific writing topic for paragraph development while focusing on the grammar lessons of the chapter; and more integrated exercises on interesting topics from sports to history to the arts.
