Jeep: The History of America's Greatest Vehicle

Patrick R. Foster

Jeep: The History of America's Greatest Vehicle Patrick R. Foster

The definitive, fully illustrated celebration of an auto manufacturer that paved its own way by going off-road. Few American vehicles, or vehicles made anywhere else in the world for that matter, are as universally iconic as the Jeep. From olive drab WWII military relics to the beloved Wrangler with its rear-mounted spare tire, open-air design, and telltale roll cage, the Jeep is a true classic. In *Jeep: The History of America's Greatest Vehicle*, automotive writer **Patrick R. Foster** chronicles over 70 years of Jeep vehicle design and production. Beginning with the Jeep as a crucial component of the American World War II fleet, Foster expertly recounts the corporate shifts, financial struggles and successes, close calls, and, above all, the enduring machines that have carried Jeep from the early 1940s to its triumphant role as a modern-day embodiment of American perseverance. Three hundred color and black-and-white historical photos complement his expertly written narrative of Jeep's entire history, reminding us that sometimes, the road less traveled was just waiting for the right truck.
