In this first book in the Mango Bob series, Walker has just lost his job, his wife has filed for divorce, and he's living in a tent down by the river.

Being ever resourceful, Walker swaps his truck for a motorhome (aka 'the Love Bus'), and agrees to drive it cross-country to sleepy Englewood Florida so he can deliver a cat named Mango Bob to a woman he's never met.

Should be easy, right? Drive to Florida, hand over the cat, and then hang out on the beach.

Except there's an unsolved murder involving the Love Bus, the Mexican mafia, and a half million in missing gold coins.

Add to the mix a trigger happy grandma, a team of bungling burglars, the hot chick with the kayak, the repo man, and you get a rollicking travel romp through the Sunshine State.

A fun and fast read!
