Rhetoric and Rhythm in Byzantium: The Sound of Persuasion

Professor Vessela Valiavitcharska

Rhetoric and Rhythm in Byzantium: The Sound of Persuasion Professor Vessela Valiavitcharska
Rhetoric and Rhythm in Byzantium takes a fresh look at rhetorical rhythm and its theory and practice, highlighting the close affinity between rhythm and argument. Based on material from Byzantine and Old Church Slavonic homilies and from Byzantine rhetorical commentaries, the book redefines and expands our understanding of both Byzantine and Old Church Slavonic prose rhythm. It positions rhetorical rhythm at the intersection of prose and poetry and explores its role in argumentation and persuasion, suggesting that rhetorical rhythm can carry across linguistic boundaries, and in general aims to demonstrate the stylistic and argumentative importance of rhythm in rhetorical practice. Along the way, it challenges the entrenched separation between content and style and emphasizes the role of rhythm as a tool of invention and a means of creating shared emotional experience.
