**The Actress: Hollywood Acting and the Female Star** Karen Hollinger

*The Actress: Hollywood Acting and the Female Star* investigates the contemporary film actress both as an artist and as an ideological construct. Divided into two sections, *The Actress* first examines the major issues in studying film acting, stardom, and the Hollywood actress. Combining theories of screen acting and of film stardom, *The Actress* presents a synthesis of methodologies and offers the student and scholar a new approach to these two subjects of study.
