Meet Atreus Kostas, The Greek Tycoon, and get to know him and his family in these **first five books of Kay Brody's popular short story series!** You'll be all set for Book 6, not to mention the *TWO* spinoff series due out in early 2016: "Angelique's Greek" & "Finding Her Greek"!

THIS 5 BOOK BUNDLE INCLUDES:

Book 1: Left Holding His Baby

Atreus Kostas, a rich Greek businessman, is literally left holding his baby when his wife, Serene, runs off with his good friend and business partner, Nikolas.

When his mother and sister push him to hire a nanny, Atreus is against it at first. He wants his son, Dios, to be raised by family and doesn't think he'll receive the care and attention he requires if he brings a stranger in to do the job.

But his sister, Onella, knows someone who will be perfect for the position. And when Onella arrives in Greece with her friend, Carla, Atreus can't believe his eyes. Surely this stunning young woman *can't* be his son's new nanny.

Is she capable of looking after Dios? Can she handle such responsibility? And can Atreus handle her?

Book 2: Mending A Broken Heart

Carla believes the time has come for her to leave Greece. But while she may feel it's for the best, Atreus doesn't agree. Dios needs her. So does he.

Unfortunately, Atreus is not the only one who wants Carla. Brian, the boyfriend she left behind when she came to work for Atreus, has been looking for her. And he's finally hunted her down.

Will Brian's arrival in Greece help bring Carla back home? Or will it convince her that she belongs in Atreus' embrace? Will Atreus find a way to trust in Carla's feelings for him, despite Brian's scheme to keep them apart?

Book 3: The Ties That Bind

Carla agrees to Atreus's proposal - for better or for worse - and the villa is thrown into an excited frenzy of celebration and preparation. Sad that her parents are not alive to be with her during this happy time, however, Carla decides that she must go back to London to see the only family she has left since their tragic accident: her grandmother and grandfather. And Atreus and Dios will accompany her during her trip while Andria and

Hanna tend to business at the villa.

Carla's grandparents absolutely love Atreus and Dios and their visit is wonderful. But Carla's ex-boyfriend, Brian, is not as thrilled with the news as everyone else seems to be. And when the couple returns to their hotel room, they find a surprise that may seriously change the course of their trip...and their lives.

Book 4: Bringing His Baby Home

The son of Atreus Kostas, The Greek Tycoon, has been taken. Is he being held for ransom? Or could the kidnapper be someone with a personal vendetta against Atreus? Someone after more than just his money?

Book 5: Back In His Arms

Atreus Kostas, The Greek Tycoon, has recovered his son from the deranged ex-boyfriend of his fiancé, Carla. Now he's arranged for Carla to meet him at his private Bahamian island so they can be together until he can figure out how to keep his family safe from Brian. But Carla has two surprises for Atreus: one is that she is pregnant with his baby and the other is that Brian is on the plane with her.

Will Atreus be able to take care of Brian once and for all once they are face to face? Will Brian's plan to ambush Atreus give him the upper hand he desires? How will Atreus handle the news that Carla is pregnant?
