Naipaul was born in Trinidad, and Vladimir Nabokov was Russian, but all are considered important writers in the history of English literature. In other words, English literature is as diverse as the varieties and dialects of English spoken around the world in countries originally colonized by the British. Despite the variety of authors of English literature, the works of William Shakespeare remain paramount throughout the English-speaking world. Until the early 19th century, this article deals with literature from Britain written in English; then America starts to produce major writers and works in literature. In the 20th century America and Ireland produced many of the most significant works of literature in English, and after World War II writers from the former British Empire also began to challenge writers from Britain.
