Lacuna

David Adams

Lacuna David Adams

"Never again attempt to develop this kind of technology."

It is with these words that an unknown alien attacker destroys the Earth cities of Tehran, Sydney and Beijing. Fifty million people die... and nothing is ever the same again.

Some call them Demons, some call them Aliens, but to Chinese Naval Captain Melissa Liao... they are the enemy. She is given command of one of three great warships built to fight the "demons", the TFR Beijing.

Her task is simple. Find who attacked Earth and why... then stop them.

Book one of the Lacuna series.
