ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you **select the correct ISBN**. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, **you may need a CourseID**, provided by your instructor, to register for and use Pearson's MyLab & Mastering products.

Packages

Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase.

Used or rental books

If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code.

Access codes

Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase.

Make the link between theory and real-world easier with the most up-to-date Intermediate Macroeconomics text on the market today!

Hubbard, O'Brien, and Rafferty realize that most students enrolled in today's intermediate macroeconomics courses are either undergraduate or masters students who are likely to become entrepreneurs, managers, bankers, stock brokers, accountants, lawyers, or government officials. Very few students will pursue a Ph.D. in economics. Given this student profile, **Hubbard, O'Brien, and Rafferty's** text presents *Intermediate Macroeconomics* in the context of contemporary events, policy, and business with an integrated explanation of today's financial crisis. Student and instructor feedback tells us that Hubbard, O'Brien, and Rafferty helps make the link between theory and real-world easier for students!
