This book is specially designed in Amazon's fixed-layout KF8 format with region magnification. Double-tap on an area of text to zoom and read.

This is an absolutely fabulously illustrated book. There aren't that many like it. It's a great tale for older children and adults alike. For children, it's a gripping adventure. For adults, it's a moving allegory about a period of history most of them haven't given any thought, the Iranian Revolution.
