## **Witch to Choose** H.T. Night

At thirty, Sahara is in a rut. She's not dating anyone, her job is stressful and she's not having very much fun, either. All that is about to change when she meets three people. The first is Paris, a real-life witch who wants to be Sahara's mentor and friend. The next two are both men. Gorgeous men. Each of whom just might just be the man of her dreams. Like they say: when it rains, it pours. Now, as Sahara finds herself challenged by the very magic she's just learning to embrace, a mysterious and dangerous force threatens her. Soon, it becomes clear that there's only one way to deal with the escalating danger. Sahara is about to discover that she's a lot more powerful than she ever dreamed possible. Witch To Choose is a full-length novel, and the first in a magical new series.
