Do you want to learn how to Crochet?

For many people, the process of learning how to crochet took hours and hours of sitting with someone who really understood the art. Crochet books were largely useless because it is difficult to teach a visual art through words—until now. This crochet book is full of color photos and diagrams that make it easy not only to learn beginning crochet stitches but really begin to put them into use, making more and more complicated projects, all the way up to crochet afghans.

With bright, modern, full color illustrations, anyone can quickly learn to crochet, master new stitches and make a selection of cute and easy first crochet projects, including beautiful scented hanging hearts, baby hats, granny squares, scarves and mittens and lots more !.

If you already know how to do basic crochet stitches and are looking for crocheting books that can help you take your projects to the next level, this book is also perfect for your needs. This books is very specific about not only how to start crocheting, but how to improve your skills with a range of techniques and crochet patterns that train you to make just about anything you want, quickly and easily.

Here are just some of the benefits:

- Learn whether or not crocheting is harder than knitting
- 21 different crochet projects, teaching you the skills to crochet just about anything
- How to easily start crocheting and build your skills
- How to join crochet pieces
- And many more!

Learning how to crochet is not a difficult or protracted process when you have the right tools.

... and:

* Easy to follow How To Crochet illustrations

* Fun and simple projects to make

* Learn a variety of crochet stitches and skills

* Perfect for absolute beginners

* Projects include hats, scarves, mittens, baby blankets, scented hearts, granny squares and more
