This book, through its compilation of the very messages we passed around to one another, will make you laugh, and sometimes make you cry. It will kindle the nostalgia of your past in a perspective very unique to the views of others in the workforce, where we all have spent approximately one-third of our lives. Many things we agreed with. Others, we disagreed. And most of the time, we just laughed until our sides ached from the clever wit that can only be found in that stream of consciousness of humanity we were so connected to in the workplace. We enjoyed and appreciated those moments of escape. And you can enjoy them again and again, anytime you'd like. Whether on the throne or by a cup of coffee reminiscing with friends, you will enjoy this book and refer back to it for years to come. Get your copy today and save a piece of much of the relevance of our past.
