Hidden Fields: Book 1 Charles Ford

Poetry can give the readers a chance to make better choices in their lives. Hidden Fields prepares them to examine their self, religion, and philosophy by the spirit of poetry. Charles Ford wants to share his many life experiences with readers, and invite them into his home by his every thought, word, and action. So they may know him, and discover something special and unique about themselves. He wrote poems "for" people throughout history, rather than "to" them. Poems offer "for" people, even "for" readers who know little poetry. All are unique alive or dead. In Hidden Fields, Charles brings to readers his experiences and his individuations, which he expresses wonderfully by his ever-deepening imagination and understanding that he has about poetry. These poems about self embodied metaphysics of his faith, hope, and love. Charles writes poems about religion and philosophy, they are also in the vein of metaphysics. These poems reveal his profound spiritual growth that he achieved in his life. He experienced a religious conversion at three. He shares this experience and many others with readers; so they may know he writes poems from his heart by inspiration and love he has for God and man.
