You can Stop Searching for your 'spiritual path' because You'Re On It! This book contains observations and bits of awareness that I have gained from the hundreds of self-help and spiritually-focused guests I have had on my Bringing Inspiration To Earth Show. Some of the Insights include: * The Law of Dis-traction * It's All About Me . . . and My Choices * Well, What Do You Expect? * Ungrateful So-and-So * Leave Your Judgments at the Door * Forget the So-Called 'Experts' * It's No Coincidence * In Your Dreams * Thank God for Unanswered Prayers Also included are 60 Actions I (and show guests) have taken to make life better and less stressful, based on those observations. Some may work for you, some may not. But even if there is Only One action that you take to improve your life experience, then the time you spend reading this book will have been worth while.
