The Bible is an intimidating book. It's easy to get lost in its pages. It covers over 2,000 years of history and written by over 40 authors from a variety of backgrounds, but all of the Bible points to the one thing. God loves his people and he'll stop at nothing to save them. The Bible is not impossible to understand. We all, sometimes, just need a little help to navigate through its pages. CHAPTER BY CHAPTER walks you through the Bible so that you understand all 929 chapters of the Old Testament and all 260 chapters of the New Testament. This book is not meant to replace your reading of God's word but it is useful as a reference guide to understand what you are reading or where to find passages and stories you know are in the Bible. It's time to begin your study of the entire Bible...chapter by chapter.
