City Sidewalk Salad: Superweeds that are both edible and medicinal Cynthia Briere

This book is a full color field guide designed to aid in the identification of wild plants that are both edible and medicinal. Included in the book are descriptions of the plants, their habitats, look-alike plants, and edible and medicinal uses. Also included are the parts of the plants that are useful, and any other noteworthy uses the plants may have. In this book, you will find over 400 full color photographs of different parts of the plants, and the plants during different seasons, designed to help you positively identify each plant.
