Dark Siege: A Connecticut Family's Nightmare (Dark Siege Series Book 1) Jason McLeod

You never know what can be lurking in the cemeteries you casually drive by. Such was the case in the Fall of 1993, when Linda McLaughlin and her innocent six-year-old daughter Kelly passed by Easton Connecticut's Union Cemetery. Kelly didn't even know such spirits existed when an apparition materialized and tapped into her consciousness. Nothing could have prepared her or her family for the suffocating terror that they would soon experience when it followed them home.

The merciless spirit didn't stop with Kelly. It quickly targeted each and every family member, their pets, and their friends when they were alone and most vulnerable. Then, it targeted the alpha of the family, the wealthy, real estate broker father, who was a natural skeptic and the last person to believe in ghosts.

In this re-creation of real the most terrifying case the author had ever experienced, a Connecticut Family is plagued by an evil-natured human spirit and by a group of inhuman, diabolical spirits who infest their home and oppress the family. Will these evil spirits continue to haunt them or will the family find help in ridding them of this terror from beyond the grave?

The book explains, in detail, the process of investigating a 'haunted house' and what can be done about it. It explains the dangers involved with the negative occult and how dabbling in it can summon darkness and ruin into our lives.

Dark Siege is a 467 page recreation of the most terrifying case McLeod has ever investigated. But what makes Dark Siege unique is that it contains an addendum with chapter-by-chapter analysis where McLeod explains the science and spirituality behind the paranormal through Quantum Physics, the Universal Laws of Attraction, Intention and Conscious Manifestation.

Both books in the Dark Siege Series are required reading for Bishop James Long's Demonology Course.

Jason McLeod is a paranormal investigator, spiritualist and empath who has spent the last 28 years helping individuals and families deal with both the human spirits who linger in their lives, and the inhuman spirits who seek to ruin them. His training and experience began by following in the footsteps of his friends and mentors – the late Ed Warren and his wife Lorraine, bestselling authors, movie consultants, and the original ghost busters who started the modern ghost hunting craze that thrives today. McLeod conducts engaging presentations on the subjects of Spirituality, Consciousness, Quantum Physics, Meditation, Metaphysics, Paranormal Investigation and Demonology on Radio Broadcasts, and at Paranormal Conventions, Spirituality Expositions, in Churches and at New Age Events throughout the world.
