***Finally, a curriculum that promotes academic excellence while giving students the skills to make connections that matter!***

Based on the #1 *New York Times* bestseller *The 5 Love Languages*®, this curriculum uses research-based techniques that will help teachers and students establish both human and academic connections. Inside you'll find:

- Eight easy-to-use lessons written in both scripted and abbreviated formats (average time per lesson: 35 minutes)
- Curriculum that reaches all elementary-aged students, including trauma-sensitive, complex, and highly capable learners
- Instruction that connects students with their teachers, educational staff, peers, and family at the deepest levels of understanding
- Academic Focus Pages™ written at age-appropriate levels. Students can use them during the lesson and the classroom teacher can reproduce them year after year.
- Tools and ideas for all staff members to create an overall school climate of acceptance and break down walls of diversity

Thoroughly field-tested, this material has been taught in many classrooms—public and private—with outstanding results. It reads like a book, with interesting stories and insights that dive deep into what it means to truly connect with students.
