That Night With My Best Friend's Brother Gracia Ford

A Night on the town is just what I need, especially with my best friend's brother

Married life is not turning out the way I planned, I thought being with the man that rocked my world was all I needed in life.

It is a pity that he doesn't feel that way about me.

He ignores me.

I'm fed up of it.

He pretends I don't exist.

I'm not a puppet on a string for him to pull up and down when he feels like it.

My best friend said she was hitting the town. I went along with her, I never knew her brother was coming along. As the night came to a close, I started to worry about the consequences back home for my night on the town.
