Joseph McBride

Release date: June 15, 2013

"AMERICA'S NEED TO WALK INTO THE NIGHTMARE . . ."

. . . was how Norman Mailer predicted the tumultuous period that led to President John F. Kennedy's 1963 murder on a public street and the fifty years of controversy that have followed that turning point in our nation's history. Journalist and historian Joseph McBride, a volunteer in JFK's 1960 Wisconsin presidential primary campaign, began studying the assassination minutes after it happened. In 1982, McBride launched his own investigation. Both epic and intimately personal, *Into the Nightmare: My Search for the Killers of President John F. Kennedy and Officer J. D. Tippit* incorporates rare interviews with key people in Dallas, archival discoveries, and what novelist Thomas Flanagan, in *The New York Review of Books*, called McBride's "wide knowledge of American social history." McBride chronicles his evolving skepticism about the official story and shines a fresh, often surprising spotlight on Kennedy's murder and on one of the murkiest, most crucial aspects of the case, its "Rosetta Stone," the Tippit killing.

Joseph McBride has been a journalist since 1960, writing for such publications as *Life*, *The New York Review of Books*, *The New York Times Book Review*, *The Los Angeles Times Magazine*, and, on this subject, *The Nation*. An internationally renowned film biographer and historian, he has written acclaimed biographies of John Ford, Frank Capra, and Steven Spielberg. McBride lives in Berkeley and is a professor at San Francisco State University.
