The Repairer of the Breach Mr. Norman C. Norman

The purpose of this book is to awaken the body of believers to truths that have been hidden from them by showing the scriptures from a Hebraic point of view, and through this point of view bring more continuity to the Holy writ. It shows us how Paul (Shaul) and Jesus (Yahshua) were in complete harmony and that the son of God and God (Elohim or Yahweh) are not only on the same page, but have the same nature (character). In these pages you will find out who and what Paul was really dealing with, what Jesus meant when He said "the greatest commandment is this...", and what He meant when He said "think not that I came to abolish the law and the prophets, I came not to abolish, but to fulfill." You will also be exposed to concepts like abiding, the biblical Sabbath, sanctification, and where do we begin our faith journey, just to mention a few.
