"That Awkward Moment When The Man You Love Doesn't Know You're A Woman."

Callie Picket, the-fat-girl-next-door has a big fat secret. Well, a secret she's been successfully hiding from her oh so sexy apartment neighbor Chris Walker. In their first meeting, he mistakes her for a fat guy and she does nothing to correct him.

Will Callie ever tell him the truth as her lie begins to take its toll on both of them as she and very confused Chris (who thinks he's going gay for his best buddy, "Cal") becomes closer? Or will he be the first to finally see her for what she truly is? A Big Fat Liar.

(Note: This is a 3 book novella series)

\*\*\*Goodreads Reviews\*\*\*

" 5 stars. I thought the book was funny and inspiring. It shows that big girls can also get a chance, and that they're beautiful just like any other book. The only thing I didn't like was Chris' stupidity to think that Callie was a guy!"-Katlho

" 4 stars. It was such a cute story! I still can't believe how Chris couldn't see that Callie was a girl. I mean even if her hair was cut short like a guy's haircut, you can still see her feminine features on her face damnit! Still, such. a cute story." -Jenny

"3.5 stars! Great read! Thoroughly enjoyed it." -Lovingkiwi
