## **I Am Jesse James** Jesse James

Like his famous relative, Jesse James has captured the imagination of the world. His bad- to-the-bones hand-built choppers with their trademark flames and Maltese cross logos are coveted by millions and ridden by wealthy motorcycle fanatics like Keanu Reeves and Shaquille O'Neal. He's one of People magazine's "Sexiest Men Alive." But, only now, in *I Am Jesse James*, will his legion of fans get an up-close look at the man and his machines.

With one hundred and sixty pages of full-color photographs grouped into three sections covering his bikes, his shop, West Coast Choppers, and his lifestyle, *I Am Jesse James* will introduce the gritty, supertalented biker who makes no apologies for who he is and makes no compromises when it comes to the artistry of his bikes. Tattooed and devilishly handsome, Jesse James is the kind of rebel that many teenage boys—and grown men—dream about being.
