- threats of blackmail, violence, and murder by male prostitutes or their clients
- attitudes and intentions of the male prostitutes
- post-prostitution careers, legal and criminology issues
- personal fears, desires, and interests of male prostitutes

Encyclopedic in scope and depth, *Male Prostitution* never strays from combining high-level research presented in a readily understandable and often entertaining style and incisive insights and issues critical for both the informed layperson and researchers in human sexuality. Dr. West and his colleague provide is a source of unbiased, detailed information on the male sex industry and their clients which is unavailable in any other book published to date.
