Danielle Harris is the daughter of an overprotective police chief and has led a sheltered life. As a kindergarten teacher, she's as far removed from the world of Harleys and bikers as you could get, but when she's rescued by the sexy and dangerous Austin Carver, her life is changed forever.

Although Austin 'Booker' Carver is enamored by the innocent Dani, he tries to keep the police chief's daughter at arm's length. But when a threat is made from an unexpected source, he finds himself falling hard and fast for the only woman who can tame his wild heart.

Will Booker be able to find the source of the threat before it's too late?

Will Dani finally give her heart to a man who's everything she's been warned about?
