Brian K. Larson

A M P Phase 2:The Vanguard (Volume 2) Brian K. Larson

In Phase 1: The Gamma Project, Jenny and Calvin fled Seattle. Being chased by the Alien Vanguard, Doctor Rhodes martyred himself making their escape possible. Regrouping with Benny, his mother Beverly, and Colonel Griffin at the old World War I bunker, they begin a covert war to defeat the alien presences, using the alien tech against them. With Phase 2 now fully underway, an army called the Vanguard is used to defend the alien tech that was brought back from the asteroid mining operation. Benny, and his freedom fighters, must defeat the Vanguard before they reach the third phase; the completion of a Noosphere Alien Complex. If they fail, it will surely bring an end to mankind.
