Cure for the Common Life: Living in Your Sweet Spot Max Lucado

"Sweet Spot."

Ever swung a baseball bat or paddled a Ping-Pong ball? If so, you know the oh-so-nice feel of the sweet spot. Life in the sweet spot rolls like the downhill side of a downwind bike ride. But you don't have to swing a bat or a club to know this. What engineers give sports equipment, God gave you. A zone, a region, a life precinct in which you were made to dwell. He tailored the curves of your life to fit an empty space in his jigsaw puzzle. And life makes sweet sense when you find your spot.

But if you're like 70 percent of working adults, you haven't found it. You don't find meaning in your work, or you don't believe your talents are used. What can you do? You're suffering from the common life, and you desperately need a cure.

Best-selling author Max Lucado has found it. In *Cure for the Common Life*, he offers practical tools for exploring and identifying your own uniqueness, motivation to put your strengths to work, and the perfect prescription for finding and living in your sweet spot for the rest of your life.
