Build a solid foundation of forming letters with special-education students in pre-kindergarten–grade 1 using The “First” Learning to Print Book. This 160-page book benefits special learners and students who are learning to print. Letters are introduced in order of tall and long straight lines, tall slanted lines, small slanted lines, circles, left-ear curves, right-ear curves, left- and right-ear curves, smiling curves, and frowning curves. Introductions, examples, practice, and review have students learning to print in no time at all! This book supports NCTE and NAYEC standards. Key Education products are intended to engage and educate young and special learners, as well as assist teachers in building a strong and developmentally appropriate curriculum for these children. The product line—comprised of teacher/parent resource books, photographic learning cards, and other activity- and game-oriented materials—is designed to assist in “Unlocking the Potential in Every Child.”
