## **Armageddon's Song: 'ADVANCE TO CONTACT' Abridged (Part 2)** Andy Farman

From the shores of Australia to the ice pack in the north the world is at war on land, at sea, in the air and even in orbit. In Germany, with airborne drops in their rear and spetznaz special forces doing their best to hamstring the troops in the field, the beleaguered NATO armies are fighting on two fronts. The ad hoc battalion of 82nd paratroopers and Coldstream Guardsmen have proved they can fight together in both defence and attack, and they will have plenty of both to do in order to hold the line. It is time to start countering the Russians and Chinese, and have them reacting for a change... The Armageddon's Song trilogy takes you in to the heart of the story once more with the men and women on both sides of the conflict.
