L.I.F.E. is an acronym for Love, Insecurities, Friends and Envy. The book also addresses Life, Family, and other relevant issues like bullying and self-esteem. My hope is to inspire and equip young people to overcome life's obstacles and gain confidence in who they are. There is strength to be gained if one can have a positive perspective. There is also comfort in knowing their struggles are not unique and no matter what anyone tells them, everyone deals with issues. I dedicate this book, L.I.F.E., to the millions of you who are at a crossroad in your life. For those of you who ever lack confidence, self-esteem, and motivation. To everyone out there with poor self image and poor quality friend who aren't there to see you through hardship and adversity, to the millions of people with insecurities and believe their not good enough to be successful, happy, or loved. I want you to know that things aren't always as bad as they seem, and you will grow through what you go through.
