The Ridiculous Pickup Line Game is like bad karaoke. Watching friends make a fool of themselves is half the fun. Designed for both men and women, this game is perfect for bachelor and bachelorette parties as well as any wild night on the town. Simply take turns opening this book to a random page each of which contains an offensive or corny pickup line. Then, use this line on someone outside of your group. The winner is anyone who actually scores or else whoever gets the most phone numbers.
