### **I Want to Change Now....**

I know you probably want to change everything in a month, a 30-day challenge not a 365-day challenge. And you can change something in a month, but let's be real, there are no quick-fixes.

Real change, lasting changes comes when you develop strong, good habits that you continue over time. Personal success takes time. You'll be able sample them here and pick the ones that work for you to continue for real, lasting change.

### **52-Weeks of Personal Success**

For every week of the year, this book gives you a new quote for reflection, a concept to inspire and empower

you, and an assignment to take you closer to fulfilling your dreams and creating your extraordinary life.

The book includes practical applications for success factors, personal success, how to overcome obstacles, reframing, and some neuro-linguistic programming (NLP) techniques.

### **Stand Up For Your Life Now. Don't Let It Pass You By.**

If you're in the same stuck place you were last year and the year before and the year before.... and you keep telling yourself you'll get to your goals and dreams after the kids are in college, after you've lost 20 pounds, after you find a job, after you find the time, after you feel worthy, or whatever your excuse is, stop it now!

You'll never be in the perfect position to live your dreams, so you'll never do it unless you make a commitment to do it now. Now is the time to get up, stand up for your dreams and tell yourself you'll never let another year go by without moving in the direction of your goals and dreams. You don't want to wake up in another 10 years and realize your life has passed you by without any of goals and dreams coming true.

### **Yes, It's a Risk.**

And it takes courage to commit to your dreams, but I know you can do it, one week at a time in this ultimate 365-day challenge, by applying success factors, overcoming obstacles, reframing the situation, using neuro-linguistic programming, stepping into your personal success, and creating your extraordinary life.
