As a Professor of Creativity, I give my students only one rule. It is a simple rule, but it must be followed. No student is allowed to walk into my class and say, "I'm not creative." Why? Because it is a lie. It is a destructive lie that has kept many good people from discovering their creative potential. Join me and thousands of others on a pilgrimage to learn how you can unleash your creative potential, enhance your talents, boost your career, and improve your life.
