An Unlikely Match (The Match Series Book 1) Barbara Dunlop

Book #1 in The Match Series - from USA Today Bestselling Author Barbara Dunlop, a comedic, contemporary romance series featuring the high-tech antics of matchmaking senior citizens unleashed on their unsuspecting heirs.

Morgan Holbrook has a PhD in jet propulsion, a plum research position at CalTech and a sexy, new neighbor who is way out of his league. He's got all the confidence in the world where it comes to applied physics, but he's never been the guy who gets the girl.

Cheerleader Amelia Camden has sworn off boyfriends, focusing instead on her budding acting career. But when her nerdy, next door neighbor passes up his high school reunion, party enthusiast Amelia is determined to change his mind.

Wanting his former classmates to appreciate Morgan the way she does, as a brilliant, compassionate, engaging man, she goads him into a haircut, a great suit and a pair of contact lenses. Morgan plays along with the sexy Amelia. Who wouldn't? But when her flattery turns to flirtation, he knows it's all part of the act.

This articles author makes some research previous to write this book. That book very easy to read you may get the point easily after reading this article book.

Michael Kelly:

As a pupil exactly feel bored to help reading. If their teacher inquired them to go to the library or even make summary for some book, they are complained. Just minor students that has reading's spirit or real their leisure activity. They just do what the professor want, like asked to the library. They go to right now there but nothing reading significantly. Any students feel that reading is not important, boring in addition to can't see colorful photographs on there. Yeah, it is for being complicated. Book is very important for you. As we know that on this period, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. So , this An Unlikely Match (The Match Series Book 1) can make you sense more interested to read.

Esther Belote:

What is your hobby? Have you heard that question when you got college students? We believe that that query was given by teacher to their students. Many kinds of hobby, All people has different hobby. And you also know that little person just like reading or as studying become their hobby. You need to understand that reading is very important along with book as to be the point. Book is important thing to increase you knowledge, except your own teacher or lecturer. You find good news or update in relation to something by book. Numerous books that can you choose to use be your object. One of them are these claims An Unlikely Match (The Match Series Book 1).
