## Professionalism, Boundaries and the Workplace

*Professionalism, Boundaries and the Workplace* is a practical text that examines a range of sensitive issues concerned with managing and maintaining professional boundaries between worker and client. It uses experiences from probation, social work, the NHS, small business and church settings. A number of issues are addressed including:

- \*the relationship between personal and professional values
- \*changing professional-client relationships
- \*definitions of 'being professional'
- \*conflicts arising from different understandings of professionalism.
