Protest and Possibility in the Writing of Tillie Olsen

Mara Faulkner O.S.B.

Protest and Possibility in the Writing of Tillie Olsen Mara Faulkner O.S.B.

Tillie Olsen's fiction and nonfiction portray, with all their harsh contours, the lives of people who cannot speak for themselves or whose words have been forgotten or ignored. Olsen's writing is neither serene nor despairing. In this sensitive thematic reading, Mara Faulkner shows that its most subversive function is the assertion that human life can be other than and more than it is. Olsen's promise of full creative life aims to make her readers forever dissatisfied with physical, emotional, and intellectual starvation.

In this comprehensive examination of a literature of social consciousness, Faulkner approaches Olsen's work within their historical, social, and political contexts without treating them as propaganda. In fact, she shows that it is Olsen's compressed, poetic style that gives her writing its revolutionary power.
