When the light of the gospel enters the soul it brings with it a supernatural power that radically transforms the whole of life. This change is perhaps nowhere more clearly seen than in the relationships between husbands and wives, parents and children. Our age has witnessed an almost total collapse of the family unit, and in many places the majority of children are now being raised in 'broken homes'. Our society presents Christian parents and children with a unique opportunity of bearing witness of God's love by just being different. Few things are more powerful than a Christian family in which the true relationship between parents and children is clearly seen. This may be one of the ways in which God will bring many to a knowledge of the truth.
