Mason Cross

**The Killing Season: A Novel (Carter Blake)** Mason Cross

**"Pulse-pounding. Mason Cross launches into *The Killing Season* with no-holds-barred, as he deftly combines an adrenaline rush plot with one of the best new series characters since Jack Reacher. Prepare to read all night."?Lisa Gardner, *New York Times* bestselling author**

*The first thing you should know about me is that my name is not Carter Blake.*

When Caleb Wardell, the infamous 'Chicago Sniper,' escapes from death row two weeks before his execution, the FBI calls on the services of Carter Blake, a man with certain specialized talents whose skills lie in finding those who don't want to be found. A man to whom Wardell is no stranger.

Along with Elaine Banner, an ambitious special agent juggling life as a single mother with her increasingly high-flying career, Blake must track Wardell down as he cuts a swathe across America, apparently killing at random.

But Blake and Banner soon find themselves sidelined from the case. And as they try desperately to second-guess a man who kills purely for the thrill of it, they uncover a hornets' nest of lies and corruption. Now Blake must break the rules and go head-to-head with the FBI if he is to stop Wardell and expose a deadly conspiracy that will rock the country.

Slick, fast-paced and assured, *The Killing Season* is the first novel in the gripping new Carter Blake series.
