I Ching Readings: Interpreting the Answers Wu Wei

I Ching Readings is the only book ever published that shares the real-life stories of people who have consulted the I Ching--their questions, the answers they received, and the events that followed. Wu Wei's informative stories show how the I Ching unerringly guides people to success and how misinterpreted guidance can lead lives off track. In this unique work, you will also learn how to understand and interpret answers you receive from the I Ching and, just as importantly, how to phrase your questions to obtain the best possible answers.

"It is a great comfort," says Wu Wei, "to know that no matter how monumental our problem, there is a solution to it that will put us in a better situation than we were before the problem arose."

I Ching Readings is an indispensable companion to the I Ching, the classic Chinese book of wisdom.
