Professor & Ace: Left Hand of Darkness

Mark Duncan

Professor & Ace: Left Hand of Darkness Mark Duncan

Ace finds herself separated from the Professor, marooned, blind and cared for by a mysterious stranger. How did she get there? Who is Dorsai? What secret is he hiding?

Notes: This is the fourth story in BBV's audio series featuring the *Time Travellers*. *The Left Hand of Darkness* is the first of two 'Ace Special' adventures which bring Sophie Aldred to the fore. Bill Baggs had been planning to feature Sophie's character alone and had commissioned BBV newcomer Mark Duncan to produce two adventures in which she would become separated from the Professor. When Sylvester McCoy (who makes guest appearances in these audios) went on holiday, there was an ideal opportunity to produce these adventures.

Released: July 1998. Written by Mark Duncan. Directed by Bill Baggs. Post-Production by Nicholas Briggs. Music by Harvey Summers. Sylvester McCoy (The Professor), Sophie Aldred (Ace), Miles Richardson (Dorsai), John Ainsworth (Computer).

A full-cast audio drama.
