**The Whites of Their Eyes: Bunker Hill, the First American Army, and the Emergence of George Washington** Paul Lockhart

Drawing upon new research and scholarship, historian Paul Lockhart, author of the critically acclaimed Revolutionary War biography *The Drillmaster of Valley Forge*, offers a penetrating reassessment of the first major engagement of the American Revolution. In the tradition of David McCullough's *1776*, Lockhart illuminates the Battle of Bunker Hill as a crucial event in the creation of an American identity, dexterously interweaving the story of this pivotal pitched battle with two other momentous narratives: the creation of America's first army, and the rise of the man who led it, George Washington.
