Alive After the Fall: Apocalypse- How to Survive After a Nuclear Bomb Attack Brings The Power Grid Down Patrick Kyhara

How to Survive the World After a Nuclear Bomb Brings The Power Grid Down

Learn How to Survive a Nuclear Bomb Attack

In this book, you will learn:

- How to get prepared for a nuclear bomb attack
- How to Prepare your kids and family for the possibility of living in a powerless world
- How to protect your precious electronic gadgets from EMP radiations using home made faraday cages
- How to Preserve Water and Test it to Make Sure it is safe for consumption after a nuclear attack
- How to reinforce your shelter so that it stands strong against all the anarchy and lawlessness that will follow soon after the fall of the power grid

Why would anyone want to survive a nuclear bomb attack to the grid? The truth is we all hope that nothing like that would ever happen. But there is a very huge difference between what we hope for and what the reality holds

An EMP attack is imminent. It will will bring down the power lines, and you will need to know how to survive.

Imagine waking up to the darkest morning you have ever experienced. The power grid that you got used to is down! Not for a minute. Not for an hour. Not for a month... but for a good 6 years!

And that means almost everything that you've come to rely on is no more. No more piped water. Medical supplies. Gas....

It is an EMP Apocalypse! A Nuclear Attack!

It is like the apocalypse. Only this time there is little hope of survival if you did not prepare for it. This book is dedicated at one thing and one thing only: teaching you how to survive a nuclear bomb attack. You will learn everything from building EMP-proof shelters to going back and relying on the land for survival.

These will be the darkest days that man has ever witnessed since the agrarian revolution. But those who will have prepared will have more hope for survival.

A HEMP/EMP attack is imminent. We can no longer assume it won't happen. The greatest question you need to ask yourself right now is whether you will be alive after the fall. This guidebook is an invaluable resource towards ensuring that you survive the fall of the power grid. Enjoy reading
